

Riverside Park - Erf 908

Erf 908, the last Light industrial development in Riverside.

Due to the high demand in Light Industrial property in Riverside Park, Phase 1 of Erf 908 has been launched.

Erf 908 is excellently located. It is in close proximity to Makro and is easily accessible from both the R40 and R37 making it the prime development for light industrial and logistics companies.

Phase 1 of the development has been approved by the local authority and the servicing has commenced. Expected completion of the services for phase 1 is October 2014.

Don't miss this opportunity of a lifetime.
